Zambia Information and Communications Technologies Authority

The Information and Communications Technologies Act, 2009

(Act No. 15 of 2009)

Notice of Determination of Unserved and Underserved Areas

Section 70 (2) of the Information and Communication Technologies Act No. 15 of 2009 (ICT Act) empowers the Zambia Information and Communications Technology Authority (ZICTA) to determine a system to promote the widespread availability and usage of electronic communications networks and services throughout Zambia by encouraging the installation of electronic communications networks and the provision for electronic communications services in unserved and underserved areas and communities.

Further, Regulation 5 (2) of Statutory Instrument No. 38 of 2012 the Information and Communications Technologies (Universal Access) Regulations 2012 mandates the Authority to designate areas as universal service areas by notice in the gazette.

In accordance with the said regulations, the Authority hereby notifies members of the public that areas contained in the Schedule Hereto are hereby designated as universal service areas.
