The Engineering Registration Board of the Engineering Institution of Zambia has approved the following Organisations for registration as Engineering Organisations and Units and they have been issued with Certificates and Practicing licences. The practicing licenses are valid up to 31st December 2018.

A registered Engineering Organisation or Engineering Unit is permitted to practice engineering in Zambia and is entitled to use the title 'Registered Engineering Organisation' or 'R.Eng.O' and 'Registered Engineering Unit' or 'R.Eng.U'. In terms of the Engineering Institution of Zambia Act No. 17 of 2010, an Engineering Organisation or Engineering Unit is not allowed to practice engineering or be engaged in providing engineering services without a valid Practicing Certificate and License. To this effect, those Engineering Organisations and Units who have not yet registered or Renewed with the Board for their licenses for 2018 should take this as official final reminder, to avoid any inconvenience. The public is further advised to only procure engineering services and products from duly registered engineering organisations and Engineering Units.
