GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 2 OF 2007

The Forests Act
(Laws, Volume 12, Cap.199)

**The National Forest No. F 8, Ichimpe (Alteration of
Boundaries) Order, 2007**

IN EXERCISE of the powers contained in Section *eight* of the Forests Act, the following Order is hereby made:

- | | |
|---|----------------------------------|
| 1. This Order may be cited as the National Forest No. F 8, Ichimpe (Alteration of Boundaries) Order, 2007. | Title |
| 2. The Boundaries of National Forest No. F 8, Ichimpe shall be altered by the deletion of existing boundary description thereof and the substitution therefor of the description set out in the Schedule to this Order. | Alteration of boundaries |
| 3. Government Notice No. 72 of 1946 is hereby amended accordingly. | Amendment of G.N. No. 72 of 1946 |

SCHEDULE
(Paragraph 2)

NATIONAL FOREST No. F 8, ICHIMPE

Starting at beacon BM14, the boundary proceeds in south-westerly direction in a straight line on a bearing of 242 degrees through beacons N365 and Z626 for a distance of approximately 7,690 metres to beacon RU183; thence south-westwards on a bearing of 238 degrees for a distance of approximately 450 metres to beacon BM; thence still south-westwards in a straight line on a bearing of 259 degrees for a distance of approximately 2,450 metres to beacon BM1; thence westwards in a straight line on a bearing of 267 degrees for a distance of approximately 700 metres to beacon BM2; thence north-westerly direction in a straight line on a bearing of 308 degrees for a distance of approximately 1,050 metres to beacon BM3; thence in a westerly direction in a straight line on a bearing of 269 degrees for a distance of approximately 1,300 metres to beacon BM4; thence north-westwards in a straight line on a bearing of 317 degrees for a distance of approximately 2,150 metres; thence north-westerly direction in a straight line on a bearing 330 degrees for a distance of approximately 1,400

metres to a point on the left bank of Mwambashi river; thence along the Mwambashi river south-westwards for a distance of approximately 3,400 metres; thence northwards on a bearing of 360 degrees for distance of approximately 950 metres to beacon M220; thence eastwards in a straight line on a bearing of 89 degrees for a distance of approximately 750 metres to most north-western corner beacon of the boundary of Farm 163; thence southwards along the western boundary of Farm 163 for a distance of approximately 150 metres; thence eastwards along the southern boundary of Farm 163 for a distance of approximately 800 metres to the south most corner beacon of Farm 163; thence north-eastwards on the eastern boundary of Farm 163 on a bearing of 45 degrees for a distance of approximately 200 metres; thence eastwards in straight line on a bearing of 89 degrees for a distance of approximately 6,800 metres to beacon N368; thence north-westwards in a straight line on a bearing of 295 degrees for a distance of approximately 2,100 metres; thence in north-easterly direction on a bearing of 55 degrees for a distance of approximately 1,150 metres; thence south-eastwards on a bearing of 108 degrees for a distance of approximately 1,700 metres to beacon K68; thence southwards on a bearing of 149 degrees for a distance of approximately 740 metres to beacon K69; thence north-eastwards on a bearing of 63 degrees for a distance of approximately 700 metres to beacon BM5; thence northwards on a bearing of 340 degrees for a distance of approximately 1,200 metres to beacon BM6; thence north-westwards on a bearing of 310 degrees for a distance of approximately 750 metres to beacon BM7; thence generally northwards on a bearing of 10 degrees for a distance of approximately 790 metres to beacon BM8; thence south-eastwards in a straight line on a bearing of 109 degrees for a distance of approximately 2,270 metres to beacon BM9; thence south-easterly direction on a bearing of 131 degrees for a distance of approximately 950 metres to beacon BM10; thence north-eastwards in a straight line on a bearing of 64 degrees for a distance of approximately 300 metres to a point on the right bank of Ichimpe stream; thence northwards along this stream for a distance of approximately 2,050 metres to a point south of Chingola/Kitwe road; thence south-eastwards along this road for a distance of approximately 1,000 metres to beacon BM11; thence eastwards in a straight line on a bearing of 84 degrees for a distance of approximately 1,750 metres to beacon BM12; thence southwards in a straight line on a bearing of 170 degrees for a distance a distance of approximately 650 metres to beacon K61; thence northeastwards in a straight line on a bearing of 63 degrees for a distance of approximately 300 metres to beacon K67; thence southwards in a straight line on a bearing of 155 degrees for a distance of approximately 2,000 metres to beacon HT2084; thence north-westwards in a straight line on a bearing of 260 degrees for a distance of approximately 150 metres to beacon HT2083; thence generally southwards in a straight line on a bearing of 153 degrees for a distance of approximately 200 metres to beacon HT2086; thence south-westwards in a straight line on a bearing of 239 degrees for a distance of approximately 225 metres to beacon BM13; thence southwards in a straight line on a bearing of 153 degrees for a distance of approximately 1,250 metres to beacon MB14, the point of starting.

The above described area in extent 5,665 Hectares approximately is shown bordered green on Plan No. F.R. 216/4 deposited in the office of the Surveyor-General signed by him and dated 26th June, 2006.
