

GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 37 OF 2007

**The Forests Act
(Laws, Volume 12, Cap, 199)**

**The National Forest No. 105: Acres (Alteration of
Boundaries) Order, 2007**

IN EXERCISE of the powers contained in Section *eight* of the Forests Act, the following Order is hereby made:

1. This Order may be cited as the National Forest No. 105: Acres (Alteration of Boundaries) Order, 2007. Title

2. The Boundaries of National Forest No. 105: Acres shall be altered by the deletion of the existing boundary description and the substitution therefor of the description set out in the Schedule to this Order. Alteration of
Boundaries

3. The protected Forest Area No. 105: Acres Notice is hereby amended accordingly. Amendment
G. N. No. 67
of 1961

SCHEDULE

(Paragraph 2)

NATIONAL FOREST NO. 105: ACRES

Starting at beacon FB1 situated on the source of the Kimilongwe stream, the boundary runs northwards in a straight line on a bearing of 8 degrees for a distance of approximately 15,400 metres to beacon FB2 on the source of Kanfumbo stream; thence in the north-easterly direction in a straight line on a bearing of 26 degrees for a distance of approximately 2,900 metres to beacon FB3 on the source of the Lubwe stream; thence down the Lubwe stream on the right bank up to its confluence with the Lumwana River for a distance of approximately 2,000 metre; thence southwards down the Lumwana river on its right bank for a distance of approximately 900 metres to its confluence with unnamed stream; thence northwards on the bank of unnamed stream to its source to beacon C1; thence in the north-westerly direction in a straight line on a bearing of 310 degrees for a distance of approximately 1,650 metres to beacon C2 the source of unnamed stream; thence along this unnamed stream on the right bank for a distance of

approximately 2,000 metres to its confluence with the Malundwe river, thence up the Malundwe river on its left bank for a distance of approximately 6,250 metres to beacon FB4 at its source; thence in the north-easterly direction in a straight line on a bearing of 22 degrees for a distance of approximately 5,900 metres to beacon FB5; thence in the easterly direction on a bearing of 90 degrees for a distance of approximately 1,350 metres to beacon FB6 the source of Mipopo stream; thence along the Mipopo stream on its right bank to its confluence with the Mutanda river; thence along the Mutanda river on its right bank to its confluence with Kapata-Munsebwa stream to beacon FB7 at its source; thence in the south-westerly direction on a bearing of 227 degrees for a distance of approximately 850 metres to beacon FB8 at the source of Lubwe stream; thence in the south-westerly direction on a bearing of 242 degrees for a distance of approximately 2,900 metres to beacon FB9 at the source of the Lwamizamba stream; thence following the Shiwe stream on the right bank to its confluence with the Kalundulundu stream; thence up stream on left of the Kalundulundu stream to beacon FB10 at its source; thence in the south-westerly direction on a bearing 237 degrees for a distance of approximately 2,250 metres to beacon FB11; thence in a south-westerly direction to a point on the left bank upstream of the Kamiloti stream for a distance of approximately 6,400 metres to beacon FB12 at its source; thence in the north-westerly direction in a straight line on a bearing of 293 degrees for a distance of approximately 6,000 metres to beacon FB13 at the source of Kawakutoki stream; thence following this stream on the right bank to its confluence with the Meheba river, thence up stream of this river on the right bank to its confluence with the Kimilongwe stream; thence north-eastwards along this river on the left bank to beacon FB1 situated on the source of Kimilongwe stream; the point of starting.

The above described area in extent 38,998 Hectares approximately is shown bordered green on plan No. F. R. FR 167 deposited in the office of the Surveyor-General, signed by him and dated 29th January, 2007.
