Medicines and Allied Substances Act

(Act No. 3 of 2013)

**Recall of All Medicines Manufactured By Leben Laboratories Private Limited,
India From The Zambian Market**

The Zambia Medicines Regulatory Authority (ZAMRA) is a statutory body established under an Act of Parliament, the Medicines and Allied Substances Act No. 3 of 2013 of the laws of Zambia. The main mandate of ZAMRA is to regulate, and control the manufacture, importation, storage, distribution, supply, sale and use of medicines and allied substances for human and animal use for public health protection.

The Authority wishes to notify healthcare professionals and the general public that it has suspended Marketing Authorisations (MAs) for all medicines and allied substances manufactured by Leben Laboratories Private Limited, India (See attached list for ease of reference). This suspension of the MAs is as a result of product quality problems and failure by the facility to comply with the World Health Organisation's current Good Manufacturing Practices (cGMP) Guidelines. Based on this, the quality, safety and efficacy of products from this manufacturer is not guaranteed.

Therefore, the Authority has suspended MAs for ALL medicines and allied substances manufactured by Leben Laboratories Pvt. Limited, India for sixty (60) months. In this period, no products manufactured by Leben Laboratories Private Limited, India will be allowed in Zambia.

In view of the above, all health facilities, pharmaceutical outlets and members of the public in possession of any product manufactured by Leben Laboratories Private Limited, India are advised to stop distribution, dispensing or using these products and return them to their supplier for replacement with better quality assured products. Importers of these products have been directed to initiate the withdraw of these products from the market and plan for their safe disposal.

The Authority has heightened its post market surveillance activities for these products and will closely monitor the withdraw process to ensure that the products are completely removed from circulation in the interest of public health.

Should the public need further clarification, please do not hesitate to contact the undersigned.

This revocation of the MAs is as a result of failure by the facility to comply with the World Health Organisation's current Good Manufacturing Practices (cGMP) Guidelines. Based on this, the quality, safety and efficacy of products from this manufacturer is not guaranteed.

Therefore, as a result of the revocation of MAs, no products manufactured by Glumex Pharmaceuticals Manufacturing Private Limited, India will be allowed in Zambia. The revocation of the MAs will remain in force until such a time the Authority determines otherwise.

In view of the above, all health facilities, pharmaceutical outlets and members of the public in possession of any product manufactured by Glumex Pharmaceuticals Manufacturing Private Limited, India are advised to stop distribution, dispensing or using these products and return them to their supplier for replacement with better quality assured products. Importers of these products have been directed to initiate the withdraw of these products from the market and plan for their safe disposal.

The Authority has heightened its post market surveillance activities for these products and will closely monitor the withdraw process to ensure that the products are completely removed from circulation in the interest of public health.

Should the public need further clarification, please do not hesitate to contact the undersigned.
